SOCIETY CONNECT 5 JUNE 2023 VIGYAN AUDITORIUM, CSIR-SERC

Workshop on *Technological Interventions for Societal Needs*

About the event

On 5th June, the event termed as *Society Connect* is organized to showcase the research contributions made by CSIR-SERC for the benefit of the society at large. The event provides the platform for knowledge sharing, technical demonstrations and to identify the gaps between research outcomes and societal needs through focused discussions.

The policymakers, officials of regulatory bodies and government organisations are cordially invited to participate in the event and share their views and requirements that would help us to contribute effectively to improve the standard of infrastructure in the country. The outcome of this event is expected to help in planning and directing the research activities of the laboratory towards evolving innovative solutions to the challenging problems.
